**McFALL BELIEVES DEPARTING CITY COUNCIL SHOULD
NOT CONSIDER PROPOSED 2AM BAR CLOSING
LEGISLATION**

She is opposed to the legislation and the fashion in which it is being done

Annapolis, MD (August 29, 2009) – Trudy McFall, a Democratic candidate for Mayor of Annapolis, released the following statement today regarding the legislation being proposed concerning 2am bar closings:

“I believe that it is inappropriate for this departing City Council to rush to do something wrong and ill thought out, as the departing Council did four years ago when it rushed to do the faulty Market House lease. I am opposed to the legislation being proposed, but most particularly it being done in this fashion.”
